ABSTRACT (10.5pt bold)

(12 pt = 1 line)

This document provides information and instructions for the preparation of technical papers to be included in the Proceedings of the international conferences, symposia, workshops, etc., which will be organized by the Japanese Geotechnical Society. The authors are recommend to prepare their manuscript in MS-Word selecting Adobe PDF as the active printer before starting to work on it, because MS-Word document formatting is very sensitive to the selected printer. This page is reserved for the title of the paper, authors, affiliation, abstract, keywords and corresponding author's name and e-mail address. (10.5 pt)
